

2020 Godolphin COVID-19 Protocol **Walk-On Mares**

Due to COVID – 19 the following procedures will be implemented for mares arriving and departing for the 2020 breeding season at Godolphin Northwood Park:

- There will be no amenities provided i.e. Tea, coffee or bathrooms.
- There will be strictly no access to the prep shed and covering sheds.
- Hand sanitizer will be provided at the loading ramps and drivers are required to use this upon arrival.
- QR – Covid register information will be placed at the loading Ramps. Drivers are required to register on arrival.
- Drivers are to unload and place horses in the arrival yards. Headcollars are to be removed and taken back to the vehicle with the driver.
- Drivers are to return to their vehicles after unloading and remain there until the mare has been covered and returned to the arrivals yard.
- All visitors to Northwood Park are to abide by current state and local government COVID-19 restrictions that may be in place i.e. wearing face masks, social distancing and travel permits etc. all subject to change.
