

2020 COVID-19 – YULONG STUD PROTOCOLS

Due to COVID-19 the following procedures will be implemented for mares arriving and departing for the 2020 breeding season at Yulong Stud:

ON ARRIVAL

- QR Covid-19 register will be placed at the loading ramp. All drivers must register on arrival.

HORSE PICK UP AND DROP OFF

- Hand sanitizer will be provided at the loading ramp and all visitors must use this upon arrival.
- Drivers are to unload and place horses in the arrival yards. Headcollars are to be removed and returned to the vehicle with the driver. The driver must remain in their vehicle for the duration of service.
- Drivers will be notified once the mare has been covered and is ready to be collected from the arrival yards.
- Strictly no access to the covering shed.

PLEASE NOTE

- Temporary bathroom facilities will be available.
- Other amenities will not be available i.e. coffee, tea.
- All visitors are to abide by current state and local government COVID-19 restrictions that may be in place i.e. wearing face masks, social distancing and travel permits.
- All restrictions are subject to change.
