## COVID-19 & Broodmare Guidelines

UPDATE: 12<sup>TH</sup> AUGUST 2020

Due to the ongoing COVID-19 pandemic, Rangal Park Stud has implemented the following guidelines for the safety of our staff and visitors to the stud.

- Mask's must be worn by everyone at all times whilst at Rangal Park Stud.
- All paperwork and Service Contracts must be completed, signed and returned to the office prior to your Mare arriving to be covered.
- There will be a **mandatory** sign in book available at the walk on area that all drivers/ visitors will be required to sign upon arrival.
- Hand sanitizer will be available at the walk on area. We ask drivers to use before unloading or touching any surfaces.
- After unloading mares please maintain social distance of 1.5 meters away from others and avoid physical contact with staff, please keep touching of other surfaces to a minimum.
- Please remove halters from mares as we will use our own.
- Rangal Park Stud requires as much notice as possible for cover of Mares. All Mares need to be allocated a covering time. As soon as you start vetting your Mare please notify Tim on 0428 855 240 or email our office. All efforts will be made to ensure your mare is covered at your requested times. However, in the case of clashes it may be necessary for the mare to be sent over and vetted in line, with all agistment and veterinary work to be charged accordingly.
- The toilet facilities will not be available for drivers to use at this time, please head straight back to your vehicle once you have finished. We ask that drivers waiting for covers stay in vehicles to limit contact with staff. Unfortunately, this means we **will not** be able to offer coffee/ tea facilities or viewing of mares covered.
- For walk in Mares once mares have been covered our staff will advise you that your Mare is in the collection yard.
- For Mares not at Rangal Park we require the early (15-18 days) scan results and Final 45-day results followed by a copy of the 45-day pregnancy certificate to be emailed to our office

We thank you for your cooperation in these times and wish everyone a successful, enjoyable and safe season.

Warm Regards,  
RANGAL PARK STUD
